Giving with a Purpose

Young student happy to have school supplies.

Water finally arrives in Tesoro Chiquito.

For a donation of \$500 or more to the Loma la Cal crop irrigation project, a local Guatemalan craftsman will create a 12 inch marble plaque for permanent display on a dedicated monument in the village. You can memorialize a family member or loved one, or have your own name and city engraved on the plaque and thereby indicate your support of Loma la Cal and this worthy project forever.
